Houma, LA 70360

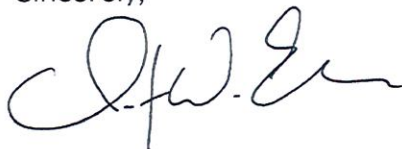

Dear Terrebonne Parish Council:

Thank you for the opportunity to be considered as a member of the Houma-Terrebonne Airport Commission. My love of aviation first began there at Houma-Terrebonne airport as a young boy where through my 20+ year aviation career I find myself back here with an opportunity to serve my local community at the airport where it all began.

It was there I was given first airplane ride, my first summer job with Bobby Butler cleaning and fueling aircraft, introduced to the world of Naval Aviation to become a top US Naval Academy candidate and my first introduction to Gulfstream with a local GIII based on the field. Fast forward I'm proud to be a Louisiana Tech Aviation Alum and now over a 16 plus year career at Gulfstream Aerospace that has taken me all over the world. I'm currently the Regional Sales Executive for Gulfstream covering the Central US but based out of home office here on our family's sugarcane farm just south of the airport.

Thank you again for the consideration and incredible opportunity to serve this area.

Sincerely,

Christopher Ellender
